Mobility For All

In 2000, The Wheelchair Foundation and its founder, Ken Behring, embarked on a mission to bring mobility to every child, teen and adult in the world who needed a wheelchair, but could not afford one. Each donation of \$200 will bring hope and independence to those deprived of mobility by war, natural disaster, disease, birth defect or advanced age. To date this non-profit organization has helped deliver wheelchairs to over 1,200,000 people in 156 countries.

Thanks to the generous contributions from past events, the Drive Fore Mobility 20th Annual Golf Invitational raised over \$130,000 which brings the total donations from this tournament to over \$2,600,000. We thank you in advance for your continued support and look forward to your participation in this year's event at Blackhawk Country Club on August 12, 2024.

Your participation in this year's tournament is dedicated to the Wheelchair Foundation's "Mobility for America" Program. All proceeds from Drive Fore Mobility 2024 will provide new, red wheelchairs to Americans of all ages. Imagine the reward of putting a smile on the face of a child or a veteran who selflessly sacrificed so much for our country. You are giving the gift of mobility to those who have lost the ability to move about freely and easily. Your compassion and kindness will allow them to enjoy the freedom and opportunities our country promises.

We thank you for your support of those in need in the USA!
