With Hope, Mobility,  
and Freedom

## Mission Statement:

Wheelchair Foundation is a nonprofit organization leading an international effort to raise awareness of the need and challenges of people living with physical disabilities, to promote the joy of giving, foster global friendship, and deliver a wheelchair to every child, teen, and adult who needs one but cannot afford one or does not have access to a wheelchair. For these individuals, Wheelchair Foundation brings Hope, Mobility, and Freedom.

## The Impact:

**1.2 million wheelchairs** have been distributed across  
**156 countries**, transforming lives and communities.

Today, **over 132 million people worldwide need a wheelchair, yet more than 110 million still lack access**—most of them living in developing countries without resources or support.

## How Donors Make a Difference:

\*Through our Donor Match Program, a **\$100 gift combined with matched funds, provides a wheelchair to someone in need**—changing a life.

**\$100\* =  
1 wheelchair**

\*Through our Donor Match Program, together we can change a life for someone who does not have the means to acquire one. Your donation provides not just a wheelchair, but hope, freedom, and the chance to live with dignity.
